

REMARKS

Applicant gratefully acknowledges the Examiner's indication that claims 19-21 are allowed and that claims 6-13 and 17 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, by the present amendment, independent claim 1 has been amended to include subject matter of claim 8, which has been cancelled. Claims 9 and 13 have been amended taking into account the amendment to claim 1, so that the wrist watch limitation is not repeated. Claim 16 has been amended to include the subject matter of claim 17, which has been cancelled. Claim 18 has been amended to taking into account the amendment to claim 16.

Claims 1 and 16 have also been amended to include "or stylus" in the last clause of the claims, which corrects a typographical error and is consistent with the language recited in the claim.

Claim 19 has been amended to correct a typographical error.

In view of the present amendment, Applicant respectfully asserts that, in addition to claims 19-21, independent claims 1 and 16 are now in condition for allowance. Likewise, since claims 2-5, 9, 13 and 14 depend from claim 1, and claim 18 depends from claim 16, Applicant asserts that these claims are also in condition for allowance.

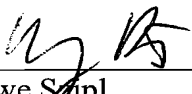

The present amendment adds no new matter to the application.

Applicant respectfully traverses the present rejections and requests reconsideration, withdrawal of the rejections, and allowance of the claims for the reasons of record. A prompt notice of allowance is earnestly solicited.

Questions are welcomed by the below-signed attorney for Applicants.
